

# ALLOY WHEEL CLEANER

**Mi**DEX  
midex.uk

## Professional Formula

**A heavy duty, high performance, non-acid wheel cleaner.**

Midex Alloy Wheel Cleaner is a heavy-duty, non-acid and safe wheel cleaner for removal of baked on brake dust, traffic film, mud and stains. The cleaner will deep-clean your wheels, penetrate the dirt and get into the narrow gaps that are hard to access. It will not damage the lacquer, paint, or your tyres and will safely wash away.

### Directions For Use:

**Use protective gloves and safety glasses.**

Shake well before use. Dilute to 10 parts water to 1 part Alloy Wheel Cleaner (10%).

For best results, pre-clean wheels with a hose or pressure washer to remove loose dirt and debris.

Apply the solution by brush or low-pressure hand sprayer, agitating where there is stubborn dirt.

Allow a few minutes for the solution to activate, then hose off thoroughly before it has chance to dry.

**Don't allow wheel cleaner to dry before rinsing.**

**Danger Causes severe skin burns and eye damage. Wash Hands thoroughly after handling. Wear protective gloves/eye protection.**

**IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. IF ON SKIN (or hair): Take off immediately all contaminated clothing.**

**Rinse skin with water [or shower].**

**IF INHALED: Remove person to fresh air and keep comfortable for breathing. IF IN EYES: Rinse cautiously with water for several minutes.**

**Remove contact lenses, if present and easy to do. Continue rinse Immediately call a POISON CENTRE/doctor/111**
