

SNOW FOAM PRO

MiDEX
midex.uk

Professional Formula

A concentrated high-foam formulation, blended to provide outstanding cleaning for vehicle paintwork, plastic, glass, tyres and wheels.

Midex Snow Foam Pro is phosphate free, biodegradable and PH neutral. This concentrated, high foam cleaner is suitable for use on any vehicle: cars, caravans, trucks, curtain-sides, agri, plant, vans and trailers. Snow Foam Pro will quickly lift and remove oil, grime and grease with minimum agitation, leaving the vehicle clean and streak free.

Directions For Use:

Use protective gloves and safety glasses.

Shake well before use. For best results, keep vehicle out of direct sunlight and hose down with cold water before use.

Dilute 1% to 2% (mix 1 to 2 parts solution to 100 parts water), the higher concentration will provide a thicker layer of foam.

Apply using a snow foam lance, starting from the bottom and working upwards.

Allow a few minutes to activate, then rinse off with clean high-pressure water.

With a manual pump foam sprayer, a warm water solution works best.

IRRITATING TO EYES AND SKIN.

In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.

KEEP OUT OF REACH OF CHILDREN.
