

# ENGINE & CHASSIS DEGREASER

**Mi**DEX  
midex.uk

## Professional Formula

**Multi-Purpose Cleaner designed to tackle heavy-duty grime, grease and oil deposits across a variety of surfaces.**

Midex Degreaser excels as a floor, machinery, engine and chassis cleaner. For use on floors and general workshop / factory cleaning, and particularly effective for pre-MOT (Ministry of Transport) inspections of heavy goods vehicles (HGVs), coaches and buses.

### Directions For Use:

**Use protective gloves and safety glasses.**

Shake well before use.

The product can be applied manually with a power washer, a brush, or a powered floor scrubber, providing flexibility for different cleaning requirements.

For floors and general workshop cleaning, dilute 1 part to 200 parts of water (200:1), or for heavier grease deposits on chassis and engines, use 1 part to 100 parts water (100:1). Apply the solution to the surface and allow a few minutes to activate, then rinse thoroughly with water.

For best results, use with hot water, approx. 40°C. If using a pressure washer, apply the product with low pressure, ensuring an even coat over the entire area. Agitate if necessary, then rinse off using high-pressure water for a thorough clean.

**Do not allow product to dry on painted surfaces.**

**Causes skin irritation.**

**Causes serious eye irritation.**

**Keep out of reach of children.**

**Wash hands and exposed skin thoroughly after handling.**

**Wear protective gloves and eye protection.**

**IF ON SKIN: Wash with plenty of soap and water.**

**IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing.**

**If skin irritation occurs: Get medical advice/attention.**

**If eye irritation persists: Get medical advice/attention.**
